# STAND AGAINST RACISM

This year's courageous conversation will include an interactive conversation based upon the book *So You Want To Talk About Race* by Ijeoma Oluo. The discussion will be facilitated by Liz Moore from the Peace & Justice Action League and Ginger Ewing with Terrain. Ijeoma Oluo's acclaimed book *So You Want To Talk About Race* provides a user friendly examination of race in America and provides a tool to help us frame our discussion and provide tangible guidance on how to approach these sometimes hard conversations with empathy, understanding and skill.
