Celebrating 115 Years Of Service!

Since 1903, YWCA Spokane has been helping women and children overcome social, economic, and personal barriers in order to accomplish their goals and achieve healthier and more fulfilling lives. Today our areas of focus are supporting victims of intimate partner domestic violence (DV), promoting early childhood education, and confronting racial and social justice issues that negatively impact our clients and our community.

The vision that propels our DV work is a community in which DV is no longer tolerated. For 40 years we have embraced this vision, establishing a continuum of wrap-around services: 24-hour Helpline and Safe Shelter, Counseling Center, Mental Health Services, Child Advocacy, Civil Legal Assistance, Legal Advocacy, Economic Empowerment Advocacy, and free drop-in childcare.

In 2017, we served over 16,000 survivors and their children. Our Early Childhood Education and Assistance Program (ECEAP) supports families living at or below 110% of the federal poverty level. We provide 3- and 4-year-old children with the social and learning skills necessary for successful entry into kindergarten, and we support their parents as they progress towards self-sufficiency. Each year YWCA ECEAP serves over 100 families at three distinct sites.

By working at the intersections of inequality, poverty, and DV we are able to disrupt longstanding societal patterns of trauma.

Creating A Lifeline Together

Leaving A Gift Is Easy

Bequests from a will or trust are the most common way to leave a gift to YWCA Spokane.

Some people set aside a certain dollar amount. Others leave a percentage of the estate or assets left over after providing for their family. Others have made YWCA Spokane the beneficiary of 401K/IRA plans or insurance policies, or have established a Charitable Gift Annuity or a Charitable Remainder Trust to the Association.
