

October Is Domestic Violence Action Month

Shine A Light For Survivors

Join YWCA Spokane as we look to increase awareness about domestic violence in our community, inspire action from individuals and businesses, and raise \$50,000 in critical funds in support of the survivors we serve.

In addition to joining us for the below opportunities, help YWCA Spokane spread awareness by painting Spokane purple. Display purple lights and wearing purple this October, the national color for DVAM. Your place of work can also sign up at ywcaspokane.org/dvam to receive FREE DVAM SWAG to share!
