CELEBRATE WOMEN
IGNITE CHANGE

Together as a community we will transform Women’s History Month in Spokane into a community-wide annual celebration of women and girls.

Local organizations, businesses and institutions are teaming up to celebrate the achievements of women and girls throughout the month of March and we invite you to join us. The month will kick off with Women Helping Women Fund’s Women Helping Women Week, March 1-8, move into Gonzaga University’s Women Lead Conference on March 9, and will culminate with YWCA Spokane’s 40th Women of Achievement Awards on March 24.

WHY WE CELEBRATE
WOMEN’S HISTORY MONTH

When we champion women and girls, we change our community for the better. We celebrate Women’s History Month to remind ourselves of the extraordinary accomplishments and contributions of women to our culture and society. When we lift up voices that often go unheard, celebrate milestones achieved and unearth the tremendous history of women in our community, we all benefit.

JOIN US

With a shared belief that an investment in the future of women and girls will result in progress for all, we are excited to form with you and our remarkable community partners, a truly exciting and strategic partnership. It is more important than ever to join together as a community to lift up women and look towards the possibilities ahead when we all step into action.

Change does not happen in a silo; it requires a team effort from many people, strong institutions and support from every part of society. Together, we are stronger and will foster a ripple effect that will have a lasting impact for generations to come.

IT ALLOWS US TO:

- Broaden our perspectives
- Offer the opportunity to embrace all genders and appreciate difference
- Reflect on lessons learned
- Pay tribute to those who have brought us this far
- Be inspired by the trailblazing women who continue to lead the way for change

DURING THIS MONTH-LONG CELEBRATION WE HOPE TO:

- Inspire life-long learning
- Invite allies of all genders to appreciate and embrace women/womxn
- Discover leaders on the precipice
- Ignite a fire in young women on the rise
- Shine a light on those who may need community support
- Highlight women led initiatives, start-ups, local artists and businesses
- Celebrate our female front line workers
