

# October Is Domestic Violence Action Month

## Shine A Light For Survivors

**Join YWCA Spokane as we work to increase awareness about the prevalence of domestic violence in our community, inspire action that is focused on creating lasting change, and encourage community-wide participation.**

In addition to joining us for the below opportunities, help YWCA Spokane spread awareness by painting Spokane purple. Display purple lights and wear purple this October, the national color for DVAM. Access our **FREE DVAM ACTION KIT** of flyers, graphics, and templates online! Learn more at [ywcaspokane.org/dvam](http://ywcaspokane.org/dvam)
