

# HEALTHY RELATIONSHIP

Adapted from original wheel by Domestic Abuse Intervention Project: [theduluthmodel.org](http://theduluthmodel.org)

**The Healthy Relationship Wheel** provides aspects of what a healthy relationship would look like. One based on respect, trust, and nonviolence. For instance, instead of using coercion and threats, a partner would resolve conflicts or disagreements based on negotiation and fairness.

**NON-THREATENING BEHAVIOR**

Talking and acting so your partner feels safe and comfortable expressing themselves and doing things

**RESPECT**

Listening non-judgmentally · being emotionally affirming and understanding · valuing opinions or personal beliefs · respecting bodily autonomy and consent

**TRUST AND SUPPORT**

Supporting their goals in life · respecting their right to their own feelings, friends, activities, and opinions

**HONESTY AND ACCOUNTABILITY**

Accepting responsibility for self · acknowledging past use of violence · admitting being wrong · communicating openly and truthfully

**ECONOMIC PARTNERSHIP**

Making money decisions together · making sure both partners benefit from financial arrangements

**NEGOTIATION AND FAIRNESS**

Seeking mutually satisfying resolutions to conflict · accepting change · being willing to compromise

**RESPONSIBLE PARENTING**

Sharing parenting responsibilities · being a positive non-violent role model · making family planning decisions collaboratively

**SHARED RESPONSIBILITY**

Mutually agreeing on a fair distribution of work · making family decisions together
