

October Is Domestic Violence Action Month

It Takes All of Us

Kickoff DVAM by Joining a Community Vigil

Join YWCA Spokane for a Community Vigil on October 1, from 5:30–6:30pm at the Snxw Mene? Amphitheater in Riverfront Park. Together, we will honor lives lost to domestic violence, uplift survivors, and stand united as a community calling for change.

This October, we invite you to take action during Domestic Violence Action Month. Together, we can honor survivors, raise awareness about the realities of domestic violence, and show our commitment to creating a safer future for everyone.
